

Dear History Heroes and Parents/Guardians,

Our History Heroes Summer Program is finally here! We are excited that you are going to join us this summer. We have been hard at work planning this year's program and the last thing we need is **YOU!** The helpers are ready, the plans are being finalized and now we are ready for five days filled with fun.

This letter will fill our campers and their parents/guardians in on everything you need to know about our History Rockin' Around the Clock in the 1950s program...

During the program, our History Heroes will be learning an array of historical information, all while having some fun too. Topics include everything from 1950s music, television, theatre, fashion, leisure activities, most important local history.

We also invite parents and guardians to get in on the fun during our End of Program celebration on Saturday, July 30th. Please let us know if you plan on joining us showing off our 1950s knowledge. Our staff is just as excited as you are to be here this summer and we're pretty sure you'll even make some new friends along the way! Parents/Guardians, included with this letter is a list of drop off and pick up times, a packing list, and our Camp Dress Code. We would like you and your History Heroes to look over this together and please come to any of our staff if you have any questions.

Sincerely,

Anne Marie Starowitz, Program Coordinator
Ryan Duffy, Executive Director
